NO 5071/497 Confile Office of the Inspector General of Police in Mysore,

Bangalore, dated the 30 May 1917

From

K.R. Sreenivasaiengar Esquire, M.A.,
Offg.Inspector General of Police
in Mysore, Bangalore.

To

D.M. Narasinga Rao Esquire, B.A.,B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
General Department.

Sir,

Referring to your letter No.J.2064/Police 95-16-1 of the 19th December 1917, I have the honor to forward herewith for the approval of Government, draft rules to be issued under the Criminal Tribes Regulation. They have been drawn up, after a careful study of the rules framed in Bombay, Madras, Bengal, His Highness the Nizam's Dominions and the Panjab, and with due regard to local conditions.

2. The Regulation prescribes various grades of restraint that may be imposed upon persons notified as members of Criminal Tribes. The Bombay Government have held that the provisions of Section 10 (a) and 10 (b) are not of much practical value and have therefore not framed any rules for working them. This view has not found favour in the other British Provinces. In Mysore, there are several gangs to whom the moderate degree of supervision provided in this Section can be advantageously applied.

3. In Madras, the person to whom a registered member has to report himself or to notify his residence under Section 10 (a) or 10 (b) is the village headman.

(16

In view, however, of the fact that the majority of our Patels are illiterate and are otherwise incompetent to discharge this responsible duty, I have chosen the officer in charge of the Police Station for this purpose. In order that the provisions of this Section may be effective, it is essential that the officer entrusted with the work of receiving reports from members of Criminal Tribes should be a trustworthy person.

4. I have not framed any rules under the second part of Section 12 relating to Settlements. The question of settling Criminal Tribes may lie over until some progress has been made in the work of registration, and definite information regarding our needs in this respect becomes available. Before formulating proposal, I should also like to visit a few of the Settlements in Bombay and Madras to obtain first hand information regarding their working. In Madras, rules regarding the restriction of members to a particular area under the first part of Section 12 have not been framed.

5. I am arranging to have a conference of all the Superintendents on the 22nd instant in order to concert measures for collecting information regarding tribes and gangs that have got to be notified as Criminal Tribes.

I have the honor to be,

Sir,

Your most obedient servant,

N.K.

Offg. Inspector General of Police.

RULES UNDER THE CRIMINAL TRIBES REGULATION, VII OF 1916.

No. J. 774—Pol. 95-16-7, dated 29th August 1917.

In exercise of the powers conferred by section 21 of the Mysore Criminal Tribes Regulation, 1916, the Government of His Highness the Maharaja are pleased to make the following rules to carry out the purposes and objects of the said Regulation:—

RULES UNDER THE CRIMINAL TRIBES REGULATION, VII OF 1916.

1. The register of members of a criminal tribe, prescribed in section 4, shall be prepared in Form A, annexed to these rules and all entries in the said register shall be in English. A separate page shall be filled up with reference to each member. Every entry shall be signed by the District Magistrate or the officer empowered by him to make the register in this behalf.

2. No child under seven years of age shall be included in the register. The decision of the officer making the entry shall be final as to the question of age.

In the case of a criminal tribe containing children below the age of seven, the nearest relation or guardian of such children shall be bound to give notice to the officer in charge of the police station, within the limits of which they reside, of the attainment by such children of the age of seven.

3. The notice required under section 5 shall be in Kannada, in Form B, annexed to these rules, and shall be published:—

(*a*) by insertion in the official Gazette,

(*b*) by posting a copy of such notice,

(i) in the chavadi or other conspicuous place in every village or town in which it is known or believed that members of the criminal tribe reside or are secreting themselves, and

(ii) in every police station within the local limits of which any such town or village is situated,

and (*c*) by serving a copy of such notice on the patel of every such village or town, who shall thereupon cause it to be proclaimed in the village or town by beat of drum.

Explanation.—In the case of wandering criminal tribes, having no fixed residence or place of abode, the place of residence shall be deemed to be the place where all or some members of such tribes are found to be camping, even though they remain in such place only for a few hours.

4. The notice under section 7 (2) shall be served on the person concerned, in the manner prescribed in the Criminal Procedure Code for the service of summonses.

After hearing such reasons as may be given in favour of or against adding a person's name to the register, or cancelling a registration, and after considering the report, if any, of the person appointed by him, to make enquiries on his behalf, the District Magistrate shall pass an order. If the entry is ordered to be made, it shall be made or caused to be made by the District Superintendent of Police.

If the Magistrate of the District receiving the application is satisfied that such registered person does not belong to the criminal tribe to which he was alleged to belong and that he is not a member of any registered tribe he shall order the name of such person to be erased; or

If the Magistrate of the District receiving the application is satisfied that such registered person has been, during the space of three years immediately preceding the application and is, at the time of the application, earning an honest livelihood, he may order the name of such person to be erased from the register.

6. Every registered member of a criminal tribe in respect of which a notification has been issued under section 10 (*a*) shall report himself to the officer in charge of the police station within whose limits he is residing for the time being, at such intervals, not exceeding one week, as the District Magistrate may by general or special order direct.

If he intends to reside for a night or nights on the route, he must state the village or villages at which he intends to halt.

If any person intends to absent himself for more than three days from the village in which he has notified his residence, or if he intends to proceed to a place beyond the limits of the district, or if he desires to change his residence permanently, he shall notify the same in person, not less than three complete days before the intended date of his departure, to the officer in charge of the police station within the limits of which he is residing for the time being, giving the date on which he intends to start, the name of the village and the address therein to which he intends

On the registered member's return to his village, he shall surrender his pass to the authority that granted it.

11. The officer in charge of the police station from the limits of which a member of a criminal tribe, who has been notified under section 10 (*b*) is departing shall, without delay, inform the officer in charge of the police station, in the jurisdiction of which such member intends to take up residence, of the place where such member intends to reside and the probable date of his arrival. The latter shall then verify his arrival and send intimation to the former.

In case of permanent change of residence to another district, the Superintendent of Police shall send copies of the entries in the register relating to the particular member or members, to the Superintendent of Police within whose jurisdiction the person intends to reside.

In the event of a person not returning within the period notified by him, the patel of the village wherein the permanent residence of the member is situated, shall despatch intimation of the fact within twenty-four hours of the lapse of the period, to

the officer in charge of the police station within the limits of which such village is situated.

12. All notifications issued by Government under sections 12 and 13 of the Regulation shall be published in the manner prescribed in Rule 5.

The patel or other person to whom the registered members of criminal tribes are required to report themselves under this rule shall be furnished with a register of such members in Form F and he shall note therein the fact of their having reported themselves at the prescribed time.

14. No registered member whose movements have been restricted under section 12 or 13 shall proceed beyond the area of his restriction without a pass, in Form E, for which he must apply in person or in writing, to the District Superintendent of Police stating the date on which he wishes to start, the name of the village and the address therein to which he wishes to proceed, the route he proposes to take, the period of his absence and the villages, if any, at which he intends to halt for the night on the way.

The officer in charge of such police station will verify the reason and send intimation to the officer in charge of the police station within whose limits the registered member was permanently residing. If the registered member on leave belongs to a different district, the Superintendent of Police, in whose jurisdiction the registered member is staying for the time being shall send the necessary intimation to the Superintendent of Police of the District from which he has taken leave.

16. Every person required to report himself or to give notice under Rules 6, 8, 9, 13 or 14 shall do so in person, unless he is prevented by illness or other sufficient cause, in which case, he may do so either by letter duly signed by him or verbally by a messenger authorised by him.
